Picnic pleasures

An adventurous outing is just a bike ride away or even just a few steps toward your garden. Have practical essentials—such as a basket and a lively printed parasol—at the ready.

Clockwise from left: Bike courtesy of Prizmic & Brill. Paper parasol from Burma, P1,380. Tin Tin Ong, Gauze curtain with capiz trim (on chair), P1,194.75. Grassroots. Arched basket with leather trim and arched hardware, price available upon request, Prizmic & Brill.

Let nature play host

"Summertime and the livin' is easy," goes a line from the George Gershwin classic. Bring those lyrics to life with outdoor wine-and-dine options for never-ending summer repasts.
